CYBER BOWL COMPETITION
Rules and Conditions – 2022

Contest
The Cyber Bowl Competition is an online game presented by Florida State University (FSU) and University of Florida (UF). The game consists of five cybersecurity awareness questions. Participants must answer all five questions before they are presented with the option to enter the prize drawing. Answers to individual questions do not affect the ability to enter the prize drawing. Participants may play the standard game as many times as they wish but receive only one entry into the contest. The school with the highest number of unique game entries at the end of the contest window earns the title of Cybersecurity Champion. Participants can earn an extra entry in the prize drawing by signing their university’s Cyber Pledge after they complete the online game, but Cyber Pledge entries will not count towards the school competition results.

Dates
The competition is open from 8:00AM on October 3, 2022, through 11:59PM on October 14, 2022.

Eligibility
Anyone may play the online game, but the prize drawing is open only to currently enrolled students and active employees of Florida State University or the University of Florida. Employees and student workers of FSU Information Technology Services are excluded from prize eligibility. Contestants must complete the online game by answering all five game questions, after which they will be presented with an online form where they can opt to enter the prize drawing. To enter the prize drawing, contestants must submit their name and a valid FSU or UF email address. The email address the contestant submits will determine into which prize drawing they are entered—@fsu.edu emails are entered into the FSU prize drawing and @ufl.edu emails are entered into the UF prize drawing. Only one entry per contestant will be accepted via the online game. Participants who sign their university’s Cyber Pledge at the end of the game will earn one additional entry in the prize drawing.

Rules
• Only one entry per person using their @fsu.edu or @ufl.edu email address. Players with multiple @fsu.edu or @ufl.edu email accounts may submit only one entry via the online game.
• Attempts to manipulate, bypass, modify or tamper with the contest system or security controls including but not limited to brute force attacks, denial of service attacks, scanning, inserting malware/viruses, running scripts, code intended to interrupt, destroy, modify or limit operation of the contest, platform, software, hardware or equipment or any other cheating behavior is strictly prohibited.
• Violation of rules will result in immediate disqualification.
• FSU scholarship awards will be contingent on verification of eligibility by the FSU Office of Financial Aid.

Winners
Seven winners—two from UF and three from FSU—will be randomly selected and announced on October 21, 2022. Each school will select one student winner and one employee winner for first prize and UF will select one student winner and one faculty/staff winner for second prize while FSU selects one student winner for second prize. Winners must have a valid U.S. work authorization for FSU or UF. Winners will be notified by email. The winners’ first and last names and/or their social media handle will be posted on the FSU ITS website; FSU ITS social media accounts; UF social media accounts; and UFIT social media accounts.

Prizes
All prizes will be awarded by random drawing.

FSU Prizes
• First Prize: 2 tickets to Florida vs. Florida State football game on November 25, 2022, at Doak Campbell Stadium (2)
• Second Prize: $500 FSU scholarship (1)

UF Prizes
• First Prize: 2 tickets to Florida vs. Florida State football game on November 25, 2022, at Doak Campbell Stadium (2)
