

SEMINOLE SAFE EXAM GIVEAWAY

Rules & Conditions – 2020

Contest

The Seminole Safe giveaway is a voluntary online cybersecurity check. Participants must complete the exam by answering a series of 10 multiple choice questions and submitting their name and email to be entered in the prize drawing. Participants may complete the exam as many times as they wish but will receive only one entry into the contest.

Dates

The contest will run and entries will be accepted from October 1 to October 16, 2020.

Eligibility

Anyone may play the online game, but the prize drawing is only open to currently enrolled students and active employees of Florida State University. Employees and student workers of FSU Information Technology Services are excluded from prize eligibility. To enter the prize drawing, contestants must complete the online exam and submit their name and a valid FSU email address—such as @my.fsu.edu, @fsu.edu, @med.fsu.edu. The email address the contestant submits will determine into which prize drawing they are entered—@my.fsu.edu emails receive a student entry and @fsu.edu and other employee email domains receive an employee entry. Only one entry per FSU contestant will be accepted via the online exam.

Rules

- Only one entry per person using their @fsu.edu or @my.fsu.edu account. Participants with multiple @fsu.edu accounts (i.e., student and employee accounts) may submit only one entry via the online form.
- Attempts to manipulate, bypass, modify or tamper with the contest system or security controls including but not limited to brute force attacks, denial of service attacks, scanning, inserting malware/viruses, running scripts, code intended to interrupt, destroy, modify or limit operation of the contest, platform, software, hardware or equipment or any other cheating behavior is strictly prohibited.
- Violation of rules will result in immediate disqualification.
- Scholarship awards will be contingent on verification of eligibility by the FSU Office of Financial Aid.

Winners

Three winners will be randomly selected on October 19, 2020. Winners will be notified by email. The winners' first and last names will be posted on its.fsu.edu and their name and/or their social media handle will be posted on the ITS Facebook, Instagram and Twitter pages (@floridastateITS).

Prizes

All prizes will be awarded by random drawing.

Student Prizes

- \$500 scholarship (2)

Employee Prizes

- 128GB iPad
