

TechList

Welcome Back, Noles!

The start of a new semester brings all kinds of possibilities, virtual or otherwise. Information Technology Services (ITS) wants you to have every advantage technology can give to take this semester by storm.

To kick off the new school year, ITS has made a TechList of everything you as a student have access to (for free!) to live your most connected life this year at FSU.

1

Install Office 365

Take advantage of free Office 365, including Word, Excel and PowerPoint:
its.fsu.edu/FreeOffice

Teams is the new go-to when it comes to communication and collaboration for students. Download the Teams app to get started:
